NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) is a brilliant platform for young undergraduate college students to be involved in social service activities. Soon after its inception, the NSS unit was introduced in the college and ever since it has extended untiring service to society over the years. Throughout the year, the NSS volunteers of the college are engaged in various social service activities that include outreach programmes and seminars. The NSS units of our college are engaged in beautifying and maintaining the college campus, gardening and plantation. The observation of special days like Independence Day, Republic Day etc. are carried out by the NSS volunteers with due honours and respects. National Integration seminars have been organized by the NSS to uphold the unit of our college. Weekly literacy classes for the illiterate, special coaching for the poor and school drop-outs, development of the general hygienic condition and health awareness camps in the village constitute some of the NSS activities.
